2014 Kickball Rules

The Playing Field

- The kickball field equals the dimensions of a softball field and are taken from the World Adult Kickball Association (WAKA). The pitching strip is in the center of the diamond and directly aligned with the first base/third base diagonal.
- Out of bounds is anything over the fence. An overthrown ball that does not clear the fence is still in play and all base runners may continue running.
- The strike zone is a three-dimensional irregular pentagon based on the shape of home plate and is one foot in height. The front of the zone aligns with the front of home plate. The sides of the zone extend one foot to either side of the plate. The back edges of the zone are one foot from the back sides of the plate.

Equipment

- Metal cleats are not allowed.
- Each team will receive a kickball, line-up cards, tee shirts and game cards.
- Home team is responsible for bringing their kickball and scorecards once they have been provided by the Parks and Recreation Department. Home team supplies the ball and makes sure the game report is filled out.
- Present lineup 10 minutes prior to game. Use official lineup cards.
- Games will consist of 7 innings or 50 minutes in duration, except in case of a tie. Should time limit intervene, innings begun will be completed. Games will continue until the tie is broken and the home team is last at the plate.
- Captains are responsible for making sure their team understands all the rules and regulations.

Umpires

- Umpires are responsible for overseeing games.

Teams

- Teams must field at least 8 players.
- Teams must field a minimum of 4 females.
- Batting order must alternate male and female. Only females can kick back to back.
- If a team only has 8 or 9 players, they don't have to play a catcher.
- Each team shall have one manager who will be responsible for the team.
- The manager must insure that:
 - All team players kick in the written line-up card order.
 - All players must sign a roster and have paid registration fees (on file at the Parks and Recreation Office).
- Teams can pick up a maximum of two registered players from another team.

Lineups

- If your team cannot field the minimum of 8 players to start the game, it is ruled a forfeit.
- There is no limit on how many players can be on your roster to kick, but only 10 can field.
- Your kicking order (line-up card) must be turned in to the opposing team's captain before the start of the game.

2014 Kickball Rules

Pitching, Catching & Fielding

- There is no limit on how fast a pitch can be delivered.
- A legal delivery shall be a ball that is delivered underhand at any speed. Bounces are permitted.
- Fielding
 - Pitcher: The pitcher must stay behind the pitching strip until the ball is kicked.
 - Catcher: The catcher must field directly behind the kicker and may not cross home plate before the ball is kicked. Failure to abide by this rule will result in the kicker taking first base.
 - Fielders: All fielders besides the catcher must remain in fair territory behind the 1st-3rd base diagonal (imaginary line from 1st-3rd base) line until the ball is kicked

Kicking

- All kicks must be made with the foot/leg and occur within the kicking box.
- The kicker must take a full kick at the ball. Bunting is not allowed and will result in an out with the ball becoming immediately dead.
- All kicks must occur:
 - All kicks must occur at or behind home plate. A kick occurring in front of home plate is ruled foul and will count as a strike.
 - Within the kicking box. The kicker must have at least a portion of the plant foot within the kicking box during the kick. The kicker may line up outside of the kicking box.
- In the event the ball is kicked towards the third base side (third baseman or short stop), the kicker will be called out if the infielder can throw the ball to the pitcher and the pitcher is standing on the rubber before the kicker reaches first base. If the pitcher is bobbling the ball or does not have control, the kicker is safe at first.
- If the pitcher fields the ball, the play is at first.
- A kicker is out in situations similar to softball (force-outs, pop outs, etc.). In addition, a runner is out when a thrown ball hits him or her (shoulders & below). If the runner would be hit in the head with a thrown ball, the Runner will advance home (and all runners in front of the kicker will also advance). The game is not in play until the pitcher rolls the ball toward home plate and the kicker attempts to kick it. The kicker must wait for the ball to reach home plate before attempting a kick.

Running

- Runners may stay within the base line. Fielders must stay out of the base line. Fielders trying to make an out at base may have their foot on base, but must lean out of the baseline. Runners hindered by any fielder within the base line shall be safe at the base to which they were running to.
- No leading off or stealing is allowed. A runner cannot leave the base until the kicker has made contact with the ball or the runner on the base will be out.
- Hitting a runner with the ball above the shoulder is not allowed. Any runner hit above the shoulders is safe and advances home (all runners in front of the kicker will also advance). If a runner intentionally uses the head to block the ball, the runner is out. Females may throw at males, but males cannot throw the ball at females.
- After a kickball is caught, runners must tag their originating base before running to the next base.
- All ties will go to the runner. Runner may over run first base.
- Base runners may not interfere with the play in progress. A base runner that interferes will be charged with interferences resulting in both the base runner and the kicker being called out on the play.
- An overthrow from a fielder that goes beyond the boundary line will result in all runners advancing two bases from the time of the throw.
- There is no bunting, stealing, or leading off of any kind. It is an automatic out if you do any of these.
